# Bunny

Our free Easter crochet pattern to you by Erika Hüsler for Loop

## Yarn

For the samples used here we used Scheepjes Catona 100% Mercerized Cotton (25g ball has 62.5m / 68.3 yds). They are perfect for mixing and matching colours in small amounts! Shown in colours 396 / Rose Wine and 408 / Old Rose.

## Hook

3.5mm

## Notions

Darning needle

1 bead. Bead size 6°

Scrap yarn or ribbon

## Note

These bunnies take so little yarn that they are a great way to use up some of your stash! You can also string them together to make lovely garlands.

## Pattern begins

### Round 1:

A. Start with a magic loop

B. Make two chains (for the first step-up to the trebles), 7 trebles in magic loop.

C. Make a picot of 3 chains, stitching into the last of the 7 trebles (see pictures).

Make another 2 picots of 3 chains into the same stitch. These are the bunny tails.

D. Make 7 trebles

E. Make a picot of 5 chains, stitching back into the last of the 7 trebles (paw)

F. Make 6 trebles and close the round with a slip stitch

### Round 2:

G. 3 chains, 4 double trebles into the same stitch at the foot of the 3 chains

H. make two picots of 8 chains into the last of the four double trebles

I. make a fifth double treble

J. tighten the magic loop

K. when sewing in, close the little gap between the fourth and the fifth treble on the backside, sew on a bead for the eye and add a tie bow.

The bunny can easily be enlarged either by working with a bulky yarn or by changing the trebles to double trebles, the double trebles to triple trebles and the picots to 4 and 6 chains instead of 3 and 5 chains.
